Horizon 2 2017-2021

Waverley – version 1.0, 26 October 2016

Member feedback has been taken into consideration in how this report is formatted. Full version control has been introduced and treatment types are shown where applicable.

Surface Treatment schemes are only shown for years 1 and 2, years 3-5 will be determined at a later date.

Local committees will be consulted with at November/December meetings regarding the final 20% of roads major maintenance schemes.
