Vote for your local independent candidate - Vote Rosaleen Egan

Thursday 13th Feb 2020

Following the very sad death of Jack Lee, our local independent candidate there is to be an election to replace him on Thursday 13th Feb. In the short time that Jack represented the ward, he did a sterling job and was always available for his constituents to help in anyway he could. If I were fortunate enough to be chosen to represent you, I would certainly hope to follow his example.

A strategy meeting with my campaign manager—Pip!

A little about me...

My name is Rosaleen Egan and I have lived in Surrey for all of my adult life and in Milford with my family for the last 15 years. I care passionately about local issues and feel that it is vital that local people should have a real say without the interference of party politics. Decisions should be made on the basis of what is best for the community, rather than dictated by party politics.

I aim to campaign for:

* Holding council officers accountable for their actions
* Voting according to constituents wishes, not the ‘Party Whip’
* Brownfield before Greenfield development
* No development without local referenda
